

EcoCare Odorshield

EcoCare Odorshield is formulated to control biofilm/slime odors emanating from scrap piles and wet process waste and garbage waiting for next processing, or in garbage trucks or dumpsters. Reduces sludge odors, ammonia, mercaptans, hydrogen sulfides and sulphur dioxide, skatoles, indoles and hydrocarbon compounds.

- Concentrated natural fermentation product
- Biodegrades odors - Not a perfume or masking agent
- Non-toxic, non-flammable, non-hazardous
- Environmentally-friendly

Odor Sources Applications:

REFUSE, RECYCLING & LANDFILLS

- Tipping floor cleaning
